Circa

overview

Time. There's simply nothing more valuable. This is the truth that drives us to make the most of every moment. Rooted in the neon glow of the past, we celebrate living large in the now, and keep our eyes wide open to the future. Drawing on the best that has come before us, we are building a new legacy: one that turns the good times up to eleven and burns bright with the original spirit of Vegas. In a city where time disappears, we are the masters of these fleeting moments, creating experiences that electrify the soul and memories that will last forever. We go big. We go all night. And here, everyone is on the guest list. So get loose and get loud. This is Circa. The time of your life.

Owners Barry Dakake, Yassine Lyoubi, Marco Cicione, and Donnie Rihn have created a restaurant that delivers the city's finest steaks and seafood, creative cocktails and outstanding service.
