Cocktails

At Barry's Downtown Prime, our team worked tirelessly to create an experience that was representative of the classic eras of the 50s, 60s, and 70s. No detail was left untouched and it shows in the décor from the moment you enter until your last bite and sip. Our cocktail menu has been designed to showcase movie and pop culture Americana from that era, with names representing the cocktail ingredients.

It's our hope that you'll explore this menu and enjoy the show!
