Weddings & Receptions

Circa
RESORT & CASINO.

Time. There's simply nothing more valuable. This is the truth that drives us to make the most of every moment. Rooted in the neon glow of the past, we celebrate living large in the now, and keep our eyes wide open to the future.

In a city where time disappears, we are the masters of these fleeting moments, creating experiences that electrify the soul and memories that will last forever.

Let us help you capture your wedding as not only a moment in time, but a memory that endures.

This is Circa.
